

Arizona Division General Meeting

September 1st, 2018

12 Voting Members Present

The Division is looking for locations to host division events.

Regional events were already bid for by FCAZ last year. Due to FCAZ's closure, the Division may be able to take on hosting the SYC.

The Division plans to combine JO's with another tournament. Most probably this will be ASU's tournament in November.

A vote was held to change the date of JO's to be paired with another tournament.

10 Aye, 0 Nay, 2 Abstain.

A vote was held to establish a \$500 discretionary budget for the division officers to spend for division purposes; such as equipment repairs and other discretions. This budget cannot be used to directly pay any current officers of the division for any reason. These expenditures must also be reported in the end of season financial report.

11 Aye, 0 Nay, 1 Abstain.

Clubs were requested to post their tournaments to AskFRED ASAP.

Henry M Villani,

Secretary, Arizona Fencing Division
